Sejl og Rig

- Storsejl, North Sails
- Genua 1 inkl. UV-beskytteelseskanter, North Sails
- Selvskødende fok inkl. UV-beskytteelseskanter, North Sails
- Cruising spiler, North Sails
- Stormast, Seldén Furlin rullemast med elektrisk spil og betjening fra cockpit
- Rullegenua med elektrisk forstag, Profuri P42 med betjeningspanel i cockpit
- Lewmar ST 62 skødespil
- Aluminiumrør beskyttere for vantskruer på dæk
- Windex

Navigationsudrustning

- Furuno plotter nede samt i cockpit
- Furuno autopilot
- Furuno radar
- Furuno AIS transciever
- Autohelm ST 7000 autopilot (med rorviser, kompaskurs m.v.)
- Repeater i cockpit også ST 7000
- Autohelm ST 50 Multi instrument
- Autohelm ST 50 maxiinstrument i cockpit
- Autohelm ST 50 vindinstrument (hastighed og retning)
- VHF-radio Shipmate RS 8100 med mont. antenne
- Komplet navigationssystem med Raytheon R 40 XX radar m. nord-visende funktion
- Raychart 600 A søkortplotter og Philips differential GPS, alle forbundet til autopiloten som integreret i Sea-Talk system
- Lowrance ekkolod

EI-udrustning

- Dieselgenerator
- Landstrøm system 220 volt
- Automatisk batterilader 50 amp, timer
- samt omformer 12 volt til 220 volt/1500 watt
- Ekstra 220 volt udtag
- Ekstra 12 volt stik
- Mastervolt Mass 12/80
- Mastervolt Charge Master 24 - 20/3

Dæksudrustning

- Teak dæk
- Teak på styrhus ruf
- Landgangsstige i rustfrit stål med teaktrin
- Elektrisk ankerspil med fodkontakt
- 50 mtr. calibreret ankerkæde
- Ekstra ovenlys luge
- Solfilter til alle forruder
- Sprayhood
- Ferskvandsbruser på agterdæk, varmt + koldt
- Elektrisk pumpe for søvands udtag på agterdæk, i pantry samt ankerboks
- Davider Whittal monteret på hæk
- Beslag for udenbords motor monteret på agterdæk
- Hvide hesteskotype redningskranse
- Læsejl mont. på søgelænder agter rundt cockpit
- Bord i cockpit
- Ny Suzuki påhængsmotor 2,5 HK

Aptering (se illustration på side 8)

- Agterkahyt er apteret med et stort arbejdsbord og en bred dobbeltkøje midtskibs med passage rundt
- Mange specielle apteringsdetailer i indretningen
- Styrhushynder betrukket med Alcantara
- Mellemlægsplade og hynde til forkahyts køjer
- Gardiner i styrhus
- Isotemp varmtvandsbeholder tilsluttet motor samt 220 volt
- Septiktank for begge toiletter
- Eberspächer 5 DLC luftvarmer med termostat
- Aurora defroster system
- Radio med CD-spiller
- Ekstra 43 ltr. køleskab monteret i styrhus
- 30 ltr. fryser monteret på udtræksskinner ved pantry
- Ny opvaskemaskine
- Mikrobølgeovn
- Ferskvandsmåler for tanke
- Myggenet for 4 ovenlysluger
- Natbelysning
- Dekorationslamper i messing

Aptering (se illustration på side 8) - fortsat

- Owners cabin, toilet + bad
- Fwd cabin, toilet + bad
- 8 + 1 køjepladser
- Pioneer radio + CD
- WiFi + extender antenne
- DUAL band
- Samsung DVD-afspiller
- Samsung fladskærms TV, 26"
- HP office jet printer
- Husqvarna komfur
- Køleskab
- Køl/frys opbevaringsrum

Øvrigt

- Sidepowerbovpropel 10 HK/24 volt med betjening fra cockpit
- 3 bladet Max-prop propeller
- Dieselgenerator
- Crew finder v. styrplads, nede
- Webasto dieselvarmer
- Pro ocean VHF til tender
- Pro ocean VHF nede

Ekstra tilbehørsliste

- Storsejl, Genua og mellemstagej
- - alle tre med netforstærkning, desuden spiler
- Alle spil samt ind- og udhal på sejl er enten hydrauliske eller elektriske
- Brandalarm og slukningsanlæg
- Højtalere i cockpit, salon, pantry og masterbedroom
- El-ankerspil
- Dækbelysning
- Fastmonterede indstilbare projektør, betjenes af fjernbetjening
- Redningsflåde, 8 personer
- Wifi
- Special styrestol i salon

- Generator med meget stor kraft og særligt isoleret, hvis den skal bruges i havn
- Inverter til 220 Volt
- Stor varmtvandsbeholder, 50 ltr., opvarmes af motorvarme eller elektrisk
- Alle ledninger og rør fremført til evt. vaskemaskineinstallation
- To varmesystemer (Webasto varmluft og vandcirkulationsradiatorer) desuden ventilation
- To ferskvandspumper, en saltvandspumpe, tre køleskabe og en stor dybfryser
- VHF fastmonteret + bærbar station
- Kombiovn
- Miele opvaskemaskine
- Kabola centralvarme i alle kahytter samt gally og salon, begge bad/toilet

Rig and Sails

- Mainsail, North Sails
- Genoa 1 incl. UV-cover, North Sails
- Self-tailing Jib incl. UV-cover, North Sails
- Cruising Spinnaker, North Sails
- Mainmast, Seldén Furling in lieu of std. electrical panel in cockpit
- Electrical furling genoa Profurl P52, panel in cockpit
- Lewmar ST 62 Winches
- Covers made of alloy for the turnbuckles on deck
- Windex windvane

Navigation equipment

- Furuno plotter at lower helm and upper helm
- Furuno autopilot
- Furuno radar
- Furuno AIS transciever
- Autohelm ST 7000 Autopilot
- Repeater in cockpit for Autohelm ST 7000 Autopilot
- Autohelm ST 50 Multi instrument inside
- Autohelm ST 50 Maxi-instrument outside
- Autohelm ST 50 Windinstrument
- VHF-phone Shipmate RS 8100, VHF-antenna
- Compleat navigationssystem with Raytheon R 40 XX radar with North-up function,
- Raychart 600 A plotter and Philips differential GPS connected to the autopilot and integrated to the sea-talk system
- Lowrance echo sounder

Electrical equipment

- Generator, diesel
- Shore Power system 220 V
- Automatic battery charger combined to a inverter 220 V/ 1500 W as inverter and 12 V/ 50 A as battery charger

Electrical equipment - continued

- Additional 12 V outlet
- Additional 12 V socket
- Mastervolt Mass 12/80
- Mastervolt Charge Master 24 - 20/3

Deck equipment

- Teak-deck
- Teak on pilothouse roof
- Bording ladder made of stainless steel and teak
- Electrical windlass with foot switch
- Additional anchor chain, 50 meters
- Roof hatch
- Suncovers on all windscreens
- Sprayhood
- Fresh water shower on aft deck, hot + cold
- Electrical pump for sea water with outlets on aft-deck, galley and anchorbox
- Whittall Davits on transom
- Bracket for outboardengine on aft deck
- White horse-shoe type lifebuoys
- Covers for rail on aft deck
- Table in cockpit
- New Suzuki for Tender 2,5 Hp

Interior and comfort (see illustration on page 8)

- The aft cabin has a big working table and a wide 2-person bed in the middle of the boat
- Special details in the interior
- Alcantara cloth on seats in pilothouse
- Plate+cushion between the berths in the forward cabin
- Curtains in pilothouse
- Isotemp waterheater connected to the 220 V system
- A waste tank and manuel emptying of the tank, both heads connected
- Eberspächer 5 DLC air-heater with thermostat
- Aurora defroster
- Radio with CD-player
- Additional 43 L, 12 V fridge in pilothouse

Interior and comfort (see illustration on page 8) - continued

- Freezer 30 L, 12 V on sliding rails at galley
- New Miele dish-washer
- Microwave oven
- Freshwater gauge for water tanks
- Mosquito-nets for skylights 4 pcs
- Courtesy lights for night illumination
- Decoration lamp of brass
- Owners cabin, head + shower
- Fwd cabin, head + shower
- 8 + 1 berths
- Pioneer radio + CD
- WiFi + extender antenna
- DUAL band
- Samsung DVD-player
- Samsung Flat Screen TV, 26"
- HP office jet printer
- Husqvarna stove
- Fridge
- Fridge/freezer storage
